Dear Gershow Recycling Corporation,

I want to thank you from the bottom of my heart for the help you have given me in the form of this scholarship. College is not becoming any cheaper, and it's a shame to think many bright young students cannot continue their studies at the college level due to cost. However, there people such as you who are making the cost a lesser burden for students like me, and I cannot thank you enough. I will just have to thank you by doing well in college, graduating with my degree, and hopefully one day giving back to my own community by helping young students just as you did.

Sincerely,

Arya Seghatoleslami
