Gershow Recycling recently presented a check for \$1,000 to Glory House Recovery, Inc., an emergency housing program in Hempstead for women who are struggling to recover from addiction.

The donation was used to help purchase 900 toys that were given out to children in need and victims of Hurricane Sandy during the orga-

nization's Holiday of Giving and Information Expo, which was held last month.

The Glory House's mission is to enhance the spiritual, mental and physical development of its participants through various activities.
